CareerOneStop

<https://www.careeronestop.org>

Your source for career exploration, training, and jobs. Sponsored by the U.S. Department of Labor Employment and Training Administration.

Local Training Finder

<https://www.careeronestop.org/Toolkit/Training/find-local-training.aspx>

- Search for training programs or providers such as community colleges, private training schools, and public and private colleges and universities in your area.
- Now lists all WIOA-certified programs for every state.
- Filter by program length, online/in-person, type of award or degree, and more.

Certification Finder

<https://www.careeronestop.org/Toolkit/Training/find-certifications.aspx>

- Find current certifications for your occupation or industry.
- In-demand certifications, those that employers mention often in job postings, indicated by chili pepper icon.
- Certifications are categorized as core, advanced, specialty, skill, or product/equipment.

License Finder

<https://www.careeronestop.org/Toolkit/Training/find-licenses.aspx>

- Find information about occupational licenses that states require for some jobs.
- See description, licensing agency and contact information, continuing education, and more.

Professional Association Finder

<https://www.careeronestop.org/Toolkit/Training/find-professional-associations.aspx>

- Search for national professional and industry associations related to your career or industry.
- Links directly to job listings for associations that offer them.
- Find the associations that sponsor professional certifications.

Scholarship Finder

<https://www.careeronestop.org/Toolkit/Training/find-scholarships.aspx>

- Search more than 9,500 listings for scholarships and other financial assistance for education.
- Find award amounts, deadline, how to apply, eligibility criteria, and purpose of award.
- Filter to see awards by locations, level of study, ethnic groups and affiliations, and more.

Occupation Profile

<https://www.careeronestop.org/Toolkit/Careers/Occupations/occupation-profile.aspx>

- Learn details about any occupation such as tasks, earnings, required education or training, employment projections, and more.
- Find the level of education, work experience, and on-the-job training typically needed to start in the career.
- Link to local education programs that prepare students to work in the field.
- Learn about related professional certifications, licensure, and apprenticeship.
